Welcome to the Wesley Pilgrimage in England! We look forward to meeting you when we gather at Sarum College in Salisbury, England. Know that you are already in our prayers as we prepare for our days of learning, adventure, spiritual formation, and fun.

Our Mission

The mission of the Wesley Pilgrimage in England for more than 20 years has been to explore and reflect upon the practices of Christ-centered missional leadership taught and practiced by John and Charles Wesley. Our aim is to grow as faithful leaders for The United Methodist Church and its mission to make disciples of Jesus Christ for the transformation of the world.

As pilgrims, our goal is to approach this trip with the expectation that we will be changed by it. While tourists pass through a place to enjoy it, pilgrims allow a place to pass through them to be transformed by it.

Even now, we encourage you to approach these coming days of planning and preparation with a prayerful openness to what God might do in and through you during this trip. Often, being a pilgrim means embracing the journey itself rather than a specific destination, and our prayer is that you will be able to do just that as you prepare for our time together.
